FORMAT 6

This format is used by school districts in which voters have approved a referendum to elect school board members by school board district. The school district is then divided into 7 school board districts, each of which elects one member to the board of education.

When there is a FULL 2-YEAR TERM to elect; appropriate adjustments should be made to the format. If 6-year terms have been adopted, appropriate adjustments should be made to the format and any unexpired terms must indicate whether it is a 4-year or a 2-year unexpired term.
